## Materials and accessories for elevator car interiors

This catalogue presents our full selection of elevator car interior materials and accessories.

All the options included in our offering are designed to be both visually appealing and functional.

The materials and accessories presented in this catalogue are available for KONE MiniSpace™ DX, KONE N MonoSpace® DX, and KONE S MonoSpace® DX.

Whatever type of building you're developing, we have a solution to fit your design, budget, and building-use requirements.

## Build smarter

Take advantage of our new planning tools to help you save time, make the right decisions, and plan your elevator car interior down to the very last detail.

### KONE car designer

Check out our themed design directions or create your own unique car interior by combining materials, lighting, and accessories, then bring your vision to life with 3D modelling.

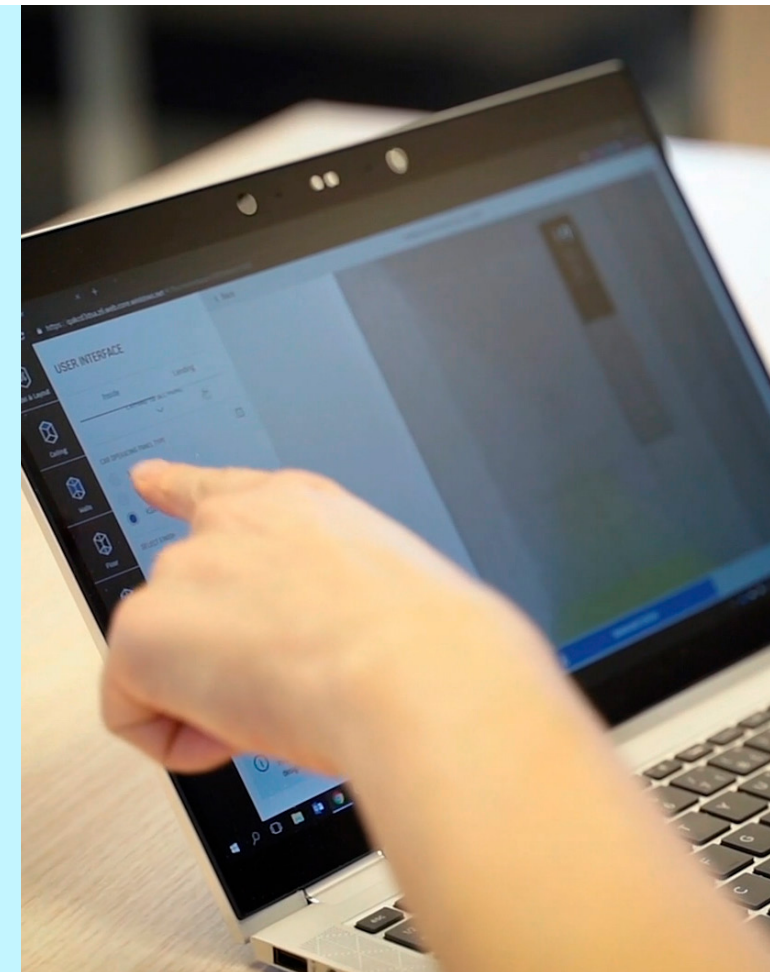

### KONE car designer mobile app

Bring your elevator car designs to life with immersive virtual, mixed, and augmented reality experiences through your smartphone.

### Try our planning tools

# Attractive, durable wall finishes

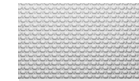

Design a car interior that's easier than ever to clean and maintain with our new range of functional materials. Our specialised anti-stain, anti-fingerprint coating helps keep coloured stainless steel surfaces looking as good as new by preventing staining and making fingerprints less visible.

## Steel

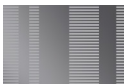

### Brushed stainless steel

# Floors

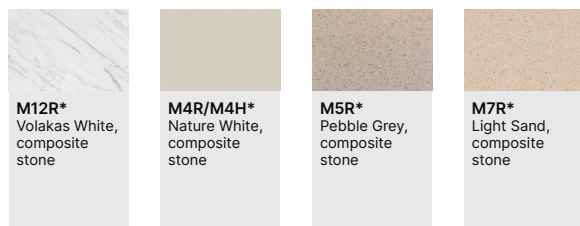

There are several flooring options to choose from, including composite stone for longlasting durability even under heavy use. Add the finishing touches to your design vision by creating a customised PVC or stone floor to match the building interior design.

## Single-colour PVC

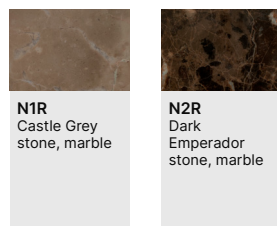

## Patterned PVC

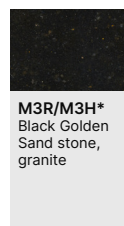

## Composite stone

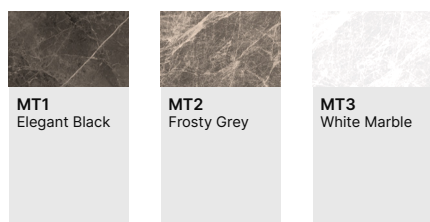

## Real marble

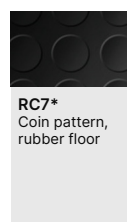

## Real granite

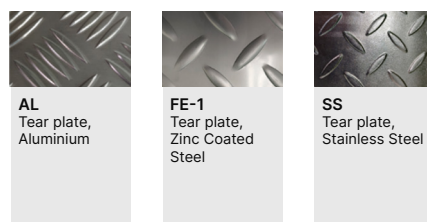

## Marble tiles

## Rubber

## Tear Plate

## Stone Floor Customisation (Free pattern)

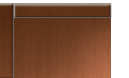

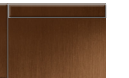

# Door finishes

Create a seamless look and feel by matching the elevator door finish with the car interior and landing entrances.

## Steel
